Medical Conditions

Do you have any medical conditions likely to affect performance in adverse conditions e.g. Asthma, Diabetes etc? (If none please state "NONE")

I hereby certify that I can swim 50 metres and that I am medically fit to take part in canoe training and activities. I also agree that I, or any other person on my behalf, **SHALL NOT** hold the Exmoor Canoe Club or it's members responsible for any harm which may befall me while participating in Exmoor Canoe Club activities. I understand that my membership in the Exmoor Canoe Club begins on the approval date shown below and expires on 31st August. Membership Applications and Renewals are approved or rejected solely at the discretion of the Exmoor Canoe Club Committee.

I understand that all Paddle Sports involve certain risks, *some of which could be life threatening*. I hereby agree to follow the policies of safe paddling and personal conduct as set forth by the Exmoor Canoe Club Committee and listed below. These policies include but are not necessarily limited to the following:

"Rules of on-the-water Conduct"

For your own safety and our piece of mind, we ask that you:

* Stay together within the group. Stay within sight of the canoes in front of you, and behind you. Don't split off from the main body to go "exploring." Those paddling behind you may be confused as to which canoe/kayak to follow, where the safe passage areas are, etc. Let someone know should you need to stop for a "Nature Break."

* DO NOT PASS the lead canoe with out the consent of the trip coordinator! It can and does cause many problems for other paddlers in the group. Again, those paddling behind you may be confused as to which canoe/kayak to follow, where the safe passage areas are, etc. The lead canoe, alone, sets the pace for the trip.

* WEAR YOUR PFD!!! -- This ECC policy is not up for discussion.

* No Alcoholic Beverages are allowed on ECC events.

Rules of safe travel upon the water are the primary concern of the Exmoor Canoe Club and shall be determined solely by the Exmoor Canoe Club Committee. By signing below I agree that my failure to abide completely by these policies will be sufficient grounds for my immediate dismissal from the Exmoor Canoe Club.
